

Partner Portal Overview

The UJET Partner Portal is a comprehensive resource hub designed to equip our partners with the essential tools and information needed to succeed. The site provides a single point of access for sales and marketing collateral, deal registration, training, and more, empowering partners to effectively evangelize and cultivate customer relationships.

Contents of the Portal:

Deal Registration: Direct link to simple deal registration process. We are channel-only and will not contact your customer without you.

Customer Content Library: A one-stop resource for customer-facing content to sell and support UJET's solutions, including one-pagers, white papers, webinars, and data sheets.

Marketing & Sales Resources: A toolkit of marketing assets, such as brand assets, press releases, and customer case studies.

Sales Enablement and Training: Provides comprehensive training programs and enablement resources to help partners effectively sell UJET solutions.

Campaign in a Box: Offering pre-packaged, ready-to-launch marketing campaigns with all the necessary assets and templates.

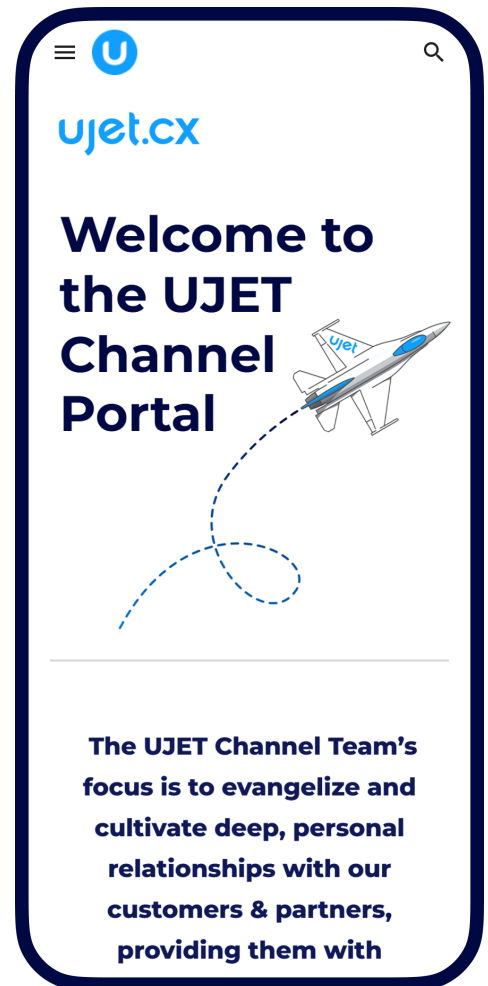

Contact Channel Team: Provides contact information for the UJET Channel Team members, allowing partners to easily connect with the right person for support.

Events: Lists upcoming events and opportunities for partners to engage with the UJET team and community.

Partner Program Overview: Why partner with UJET.
